ROBERT LLOYD
Executive Director

"Working to reduce sexual exploitation & victimization of women, children and families"

DECEMBER 5, 2007

To Our Faithful Friends and Supporters,

The end of the year is a time of reflection and celebration. Another year has passed and we have so much to be thankful for. Yes, Bobby is still walking in divine health and we are so grateful that you always ask. Please continue to pray for him.

With your help we have been able to impact the porn industry in our community like never before. We are working diligently with Town Attorneys throughout both counties to facilitate with the redrafting of local zoning laws, to keep sexually oriented businesses out of our residential neighborhoods. We are working with various community groups as they mobilize to ensure the zoning laws are enforced and their neighborhoods and children are safe. Currently, we are also tirelessly working with our legislators on removing pornography from the jails and prisons in Long Island and New York State.

Some additional highlights of the year past include:

- The launching of our newly developed Internet Safety program for youth and parents, **Youth @ Risk**
- The free distribution of 40,000 copies of "**Computer Cop**" – an Internet safety software package for families
- The addition of **Ms. USA 2007, Sophia Hall**, as LICCV spokesperson
- The successful continuation of our **Clean Hands & Pure Heart** victim assistance program

The holiday season is a time of festivity and joy. Because of your constant prayers and financial support, we are able to rejoice. We would like to personally thank you at this time for all you have done to help keep LICCV in this crucial battle. We cannot do it without you!

As you are writing out your holiday cards, please remember us and consider sending a special gift in the enclosed envelope. It will help us continue this fight to make Long Island a safer place to live.

Have a Blessed Holiday,

**Bobby & Dianne Lloyd
and the Board & Staff
of LICCV**
