"Working to reduce sexual exploitation & victimization of women, children and families"

Dear Faithful Friends and Supporters,

On Saturday June 2, 2007 at Belmont Lake State Park we had a very successful "Walk for Decency". Although it seemed our numbers were down and our group was small we raised more this year than we had in the past! We had some heavy hitters their walking, supporting and raising money!

As you see in the picture to the right, Wayne Horsley (far left) Suffolk County Legislator, joined us as he does every year.

Mr. Horsley praised LICCV for their continued efforts to keep Long Island a safer place to live and encouraged all those present to keep supporting LICCV in all that they do.

Also joining us was Mike Livi and his sons demonstrating the Children's Internet Safety Puppet Show they created for LICCV. As we continue to expand our Education and Awareness program to include elementary ages, we are intending to incorporate this presentation in our curriculum. Shown below with Mr. Lloyd is Suffolk County Legislator, Ellie Mystal, as usual lending his support to all the efforts of LICCV. Mr. Lloyd gave the crowd a brief run down on what he, LICCV and both county legislators are doing to keep our youth safe on the Internet.

Maria Cafiso, who was our administrative assistant for over 7 years, joined us that day and won the grand prize for raising the most money! She raised over \$800 in sponsorships and received a \$100 gift certificate from Good Old Gold in Massapequa. Good Old Gold is one of our proud sponsors, visit them at the TGIF's Mall on Sunrise Highway in Massapequa (across from the Massapequa Mall). Say hello to Helen, the owner and thank her for all her efforts in helping LICCV. They have beautiful new and estate jewelry at affordable prices.

A special thanks goes also to Mr. James Mercaldo, arristers-A:bstract-Corporation; who won the "Gold Partner" award for his very generous contribution of 5,000 toward the Walk for Decency. Mr. Mercaldo has been very instrumental in acquiring our new facility and is art of the building committee which is assisting Mr. Lloyd with the actual construction and renovation.

We wanted to thank our other sponsors, Allstate Insurance and Daren Reed, Starbucks, King Kullen, Macdonalds, and Citibank, North Babylon.

Thank you for all of your efforts and support, it is people lice you that enable us to continue to work for this most worthy cause.

Please remember that statistically the summer season is one of the hardest times for charities and non profits, we would so appreciate, if you could send a generous gift in the enclosed envelope before you leave for vacation.
