An Evening of Elegance with LICCV

Many thanks to all those who attended, sponsored, volunteered, and performed in our annual fundraising event, An Evening of Elegance. It was a huge success, and we have received rave reviews from many in attendance. Our guests were treated to outstanding performances by the choral trio, The Grace Notes (top left), soloist, Wayne Robinson (top right), tenor, Joseph Jack (bottom left), and soprano, Jeanette Vecchione (bottom right). The Heavenly Strings also treated us to beautiful chamber music during the Hors D'oeuvres reception and the Viennese hour. Awards were given to several dignitaries, and a Certificate of Recognition from Nassau County District Attorney Kathleen Rice was presented to Mr. Lloyd by Assistant District Attorney Renee Fletcher, and Assemblyman Andrew P. Raia presented Mr. Lloyd with a New York State Assembly Citation. Visit our website at www.liccv.com to view and order pictures from the event. Just scroll down to the bottom of our homepage and follow the directions.

Please remember LICCV in your giving as we continue to protect, educate, and advocate for the children and families of Long Island.
