

**ROBERT LLOYD**  
Executive Director

*"Working to reduce sexual exploitation & victimization of women, children and families"*

### **A WARRIOR HAS GONE HOME**

It is with a heavy heart that I share with all of our faithful supporters that Ronnie Wellbrock affectionately know to us as "Ronnie" entered into final rest with his God, April 7, 2007.

As most of you know, Ronnie was the treasurer of our board and a vital part of LICCV for nearly 10 years. He was one of our greatest fans, when things got tough Ronnie and Liz were always there cheering us on. Until this past year, they never missed a planning-meeting, board-meeting or special event. He had a gifting to embrace the vision of others and get the job done. Ronnie saw us through many a rough time and when we thought it was virtually impossible for us to obtain our own building; he had the faith to believe and make it happen!

We will be breaking ground shortly and in honor of Ronnie's faithfulness we will be naming the building after him. Throughout the years God sends ambassadors to assist us along the way. Ronnie and Liz were truly heaven sent and we appreciate all they have done to help keep Long Island a safer place to live. So Ronnie, we say so long for now until we meet again in glory. Liz Wellbrock has been a volunteer with us for 13 years and has graciously accepted the appointment, to replace her husband, on the LICCV board in the fall.

### **BUILDING UPDATE**

Our permits have been approved and we are in the process of setting the date for the ground breaking. It has been a long haul! We are excited about starting Phase II, which will be taking the existing top floor down, laying an extended foundation, and framing a two story building. We will keep you informed as we progress. Thank you for your responses to assist us. We have commitments for plumbing, electric, door, windows, sheet rocking, floors, phones, paint and much more. If you have any talents or

building supplies you would like to donate please do not hesitate to call.
