ROBERT LLOYD
Executive Director

"Working to reduce sexual exploitation & victimization of women, children and families"

Dear Faithful Friends and Supporters,
We wanted to take this time to thank all our faithful volunteers who serve throughout the year behind the scenes. We have about 35 active individuals who work with us and are the driving force behind this great work. THANK YOU!

The importance of volunteers in our coalition can never be overestimated. Like most nonprofit organizations, significant parts of our programs and activities are enabled by people willing to give their time and energy. In our coalition, a faithful team of dedicated volunteers does many of the day-to-day activities. Volunteer responsibilities range from opening the daily mail to writing grant proposals seeking funding from corporate foundations.

We have volunteers who give us information about the pornography industry, help us work with victims, provide expertise on public education, assist in understanding law enforcement, offer advice on media relations, speak on behalf of LICCV, and help with the development of overall organizational strategy. In short, LICCV could not exist without volunteers.

We are dependent on the time others are able to give us in order to accomplish the strategic plans of our organization. This includes those who pray, write letters, attend public rallies, work in churches, and speak on the harm of pornography. The goal is to allow us to do more through volunteers and, in turn, facilitate the growth of our program base.

The following are areas we need volunteer help in. We generally ask four hours once a week.

OFFICE SUPPORT, CLERICAL, Purpose: To assist administrative assistant in the office with clerical work, stuffing envelopes, newsletter sorting, typing, bookkeeping, data entry etc. **TECHNICAL,** Purpose: To assist with printing, pick up, and delivery of our newsletter to the Post Office, along with various other projects. Some lifting required. (Preferably a retired or lightly disabled male.)

SPECIAL EVENTS COMMITTEE, Purpose: To coordinate the planning and implementation of the coalition's special events. Profile: Innovative with organization & people skills.

FUND RAISING/GRANT WRITING COMMITTEE Purpose: To help raise financial support for the coalition.

COMMUNICATIONS COMMITTEE, Purpose: To keep supporters informed about the coalition's activities and current events by producing newsletters, flyers, creating a e-letter, and other forms of communication. Profile: Someone with writing, editing & computer publishing skills.

PRAYER SUPPORT, Purpose: To keep the coalition, its leaders, and the campaign uplifted by prayer, and to seek God's will and guidance for the work. Profile: Someone who prays.

COMMUNITY ACTION TEAM, Purpose: To respond immediately to local concerns in reference to the sexualized culture, through media, letter writing, phone calls, or in person. Profile: Must be available on short notice, have writing, and good people skills.

The need is great! If you feel you can fit the profile for any of the above please call the office for more information and an application. Come, be a part of our volunteer force for 2008, and help make Long Island a safer place to live.

As 2007 will shortly be drawing to a close, please consider making a generous end of year contribution to LICCV. An envelope has been enclosed for your convenience.
